**FRIENDLY
VISITS**

DESCRIPTION OF THE SERVICE

The Friendly Visits service consists of a match between a volunteer and a person living in solitude in order to break social and physical isolation through a supportive relationship. These visits allow people to create a friendly relationship based on trust. Also, the visits can give a break to the family by allowing them to rest, run errands or do other activities.

ELIGIBLE PEOPLE

People aged 65 years and over who are losing their autonomy or not, who live at home (single-family home, apartment, collective or private residence), on the territory from l'Anse-à-Valleau to Coin-du-Banc.
